**Where?**

Palm Harbor, St. Petersburg, Pinellas Park, Seminole,  
Largo, Eastlake, Tarpon Springs, Lealman

**When?**

BY APPOINTMENT Call: 892-Kids

**Why?**

4 out of 5 car seats are used wrong. Could yours be one of them?

Children should ride in a booster seat until they are 4'9" and between 80 and 100 pounds. For most children that is between 8 and 12 years old. Once safety belts fit children correctly, the lap and shoulder belts should be used. Kids should ride in the back seat until age 13.
